Mrs. Sandhya Mittersain is the Founder & CEO of Gourmet Company

She is an Enthusiastic Entrepreneur who wants to achieve great success for Gourmet Company

Idea Behind Gourmet Company

She felt that gift choices in India were limited and a little generic. She wanted to give people the option of giving gifts that people knew their loved ones would really like. The response to the gift baskets was overwhelming and that encouraged her to take a step forward and set up the Gourmet Gifting Company.

About Us

Founded in 2011, Gourmet Company is a one-stop online destination for a wide range of gourmet gift hampers. We carry a variety of different gift hampers for every occasion. Each of the products you find in our hampers, are selected & hand-picked by our team from recognized international brands as well as Indian manufacturers.

*Gourmet Company is a gifting company specializing in gourmet food gift baskets. From Birthday's to Festivals we have gifts for all the occasions We have different types of hampers ranging from
